Wedding Ceremonies

Trinity United Church Community Centre is dedicated to supporting people of all ages, backgrounds and beliefs with meaningful ceremonies to acknowledge the important transitions in their life journeys. Our leaders include Atheists, Wiccans, Spiritualists and Christians. We are gay and transgendered supportive.

Both within our beautiful facility or at your chosen wedding site, our wedding officiants and ministers will help you and your partner construct a service that reflects your tastes and spiritual styles. You may have a service of your own in mind, but most couples enjoy our Wedding Construction Kit that is filled with options for each part of a ceremony, including 'sand ceremonies' and the 'broom jumping ceremony' for those from an African heritage.

Whether you want a ceremony that has no God language or you desire your wedding to be a profound moment of worship or something in-between, our role is to assist you in creating a meaningful experience you will treasure for a lifetime.

The fee for ceremonies provided outside of our facility is \$300. The fee for ceremonies in our attractive, recently renovated sanctuary is \$600 and includes a rehearsal and a play list or organist for the wedding.

We have other professional musicians available to work with you to provide the ambiance you have dreamed of for your special ceremony, reception or both. Whether you want a soloist or a full band, we can accommodate you at a very reasonable cost.

Our Junior Hall is also available at no cost for a get together after your rehearsal if you wish.

A Gift to Invest in Your Happiness

Because we are motivated by kindness and not profit, we want to gift you with the best support possible as you enter the new adventure of marriage.

Every couple receives from Trinity the gift of a free Relationship Enhancement Workshop with a therapist who is a marriage specialist, a \$150 value. This optional, two Saturday workshop respects the privacy of couples as it is not based on group sharing. An engaging presentation based on scientific research affirms your strengths as a couple. It highlights key actions you can take to invest in a long, happy life together. Feedback from couples who attend is extremely positive.

Stag & Doe and Weddings Reception: Simplify... Economize

Life will be simpler and cost less money if you choose Trinity as the place to host your Stag and Doe and Wedding Reception. Whether you want to rent space, obtain your own liquor licence and cater these events yourselves or would like us to take care of all the details, having all your events at one place provides lots of benefits.

Instead of dealing with many people, you will have an enjoyable time getting to know and organizing your events with a couple of caring people who will be dedicated to making everything a success.

Some Ways to Save Money

Because Trinity is a “not for profit” organization, you will not be charged HST of 13%. Every price we quote is the price you will be charged.

Our Great Hall has an excellent sound system. Instead of hiring a DJ, you may wish to put a dance track together and use our sound person at a cost of \$150. Requests for songs can also be made ‘on the spot’ as our facility has Wi-Fi.

Trinity has been serving delicious “home cooked” food for over 100 years. Starting at \$29 a person, we can provide a complete buffet with 2 meats and vegetarian entrées, including wine. Plated service begins at \$39. Open bar and cash bar packages are available. In every case, our house wines (Merlot and Sauvignon Blanc) are available for dinner at no additional charge.

Your events can be as fancy as your budget and preferences allow. The discounts we have with photographers, floral shops and wedding decorators are passed on to you. Many couples enjoy decorating the Great Hall themselves. We like to provide you with choices...Your Day, Your Way.

A Final Thought

Because we are a community, our commitment to you lasts for a lifetime!

If you’re looking for an inspirational, affirming church home with programs for all ages, we are here. If you enjoy great concerts, murder mystery dinners, trivia events and delicious dinners, we are here. If you want a place to host a family event or help with a funeral, we are here. If you need a listening ear or a bit of counselling advice, we are here. If you fall on hard times, we are here. If you or members of your family want to volunteer and help the community, we are here.

If you like the idea of a community where Kindness is the only membership requirement, you can strengthen this community by sharing your big day with us. Giving us the opportunity to partner with you in designing your day, your way... means that you will always be welcomed as a member and a friend.
